Each school board shall annually prepare a calendar for the school term specifying the opening and closing dates and providing a min. term of at least 185 days, computed under Section 18-8.05 of the School Code, provided any days allowed by law for teacher institutes but not used as such shall increase the minimum school term by the number of days not so used, however, the board may not extend such term beyond such closing date unless such extension of term is necessary to provide such minimum number of computable days. The board may specify a closing date earlier than that set on the proposed calendar when the schools of the district have provided the minimum number of computable days required.
